

The image shows a web browser window with the address bar displaying 'Administrador'. The browser's navigation bar includes back, forward, and refresh buttons. The main content area features a top navigation bar with a 'TEXT0' button and a user profile icon. Below this is a large grid of text boxes, each labeled 'TEXT0'. The grid is organized into rows and columns, with a search icon in the top right corner. A sidebar on the left contains a list of text boxes, each labeled 'TEXT0', and a search icon. The overall design is minimalist and functional, with a focus on text input and search capabilities.

The image shows a web application interface for a school management system. At the top, there is a navigation bar with a user profile icon on the right, a search bar containing the text "Administrador", and a series of tabs labeled "TEXTOS". Below the navigation bar, the main content area is divided into four sections. The first row contains three sections: "ESPACIOS" (Spaces), "PROFESORES" (Teachers), and "COMPETENCIAS" (Competencies). Each of these sections has a large, light blue rectangular placeholder box below its title. The second row contains a single section titled "EVENTOS" (Events), which also has a large, light blue rectangular placeholder box below its title.
